## 2015 Personal Financial Readiness Classes

The Airman & Family Readiness Center, Wright-Patt Credit Union, Chase Bank and the Miami Valley Better Business Bureau have teamed up to provide you with a wide variety of financial based classes. Classes are held in Building 2, Room 244 unless annotated call 257-3592 to register.

### **Planning for your Retirement At Any Age, 18 Mar, 1100-1300 – DCO**

Retirement may seem a long way off or maybe you are hoping it is just around the corner. Investing in the proper tools early can make all the difference. When you attend this briefing you get information you need on resources to get off to the right foot, Thrift Savings Plans, IRA's, 401(k) plans and much more. (BBB)

### **Investment Basics, 1 Apr, 1100 – 1230**

New to the workforce and wondering how you get from here to retirement? You should have a lot of questions such as: How should I be allocating my TSP or 401(k). Do I need life insurance protection for my family...and how much? How can I afford college for my kids? Should I have an IRA in addition to my TSP or 401(k). This workshop will provide you with the tools necessary to make those decisions. (WPCU)

### **Smart Investing for the Military Consumer – Fraud Prevention, 15 Apr, 1100 – 1300—DCO**

Even if you have never been subjected to an investment fraudster's sales pitch, you probably know someone who has. We've all heard the timeless admonition, "If it sounds too good to be true, it probably is." This is great advice, but the trick is figuring out when "good" becomes "too good." Investment fraudsters make their living by touting deals that appear both good and true. This briefing will help you recognize fraud and avoid suspicious influence tactics. (BBB)

# General Henry H. Arnold Education Grant Program Application Available Now!

The online application for Academic Year 2015-2016 is available on our website at <http://www.afas.org/education-grants>. Applications are currently being accepted for processing and may be submitted through the receipt deadline of 13 March 2015. The Society plans to award up to 3,000 grants for AY 2015-2016 to dependents of Air Force members for their college education through the General Henry H. Arnold Education Grant Program.

If you know a student or group of students that might be eligible for this grant, please pass along our website link. We don't want any student to miss out on a chance for college cash through a program with an average selection rate of better than 60% of eligible applicants, and 100% selection of eligible applicants with validated financial need!

Remember, the grant application is the gateway to all three of the Society's education assistance programs: the Arnold Grant, the Merit Scholarship, and the Supplemental Education Loan!

## AFAS MERIT SCHOLARSHIP

The Society awards a minimum of ten \$5,000 merit-based scholarships to **incoming freshman who have completed both phases of the General Henry H. Arnold Education Grant application**, and therefore, have already been reviewed for eligibility and had their Grade Point Average (GPA) verified. **These scholarship candidates**, regardless of whether or not they receive the need-based Arnold Grant, **will be directly contacted by AFAS HQ in May**.

Selection is based on cumulative GPA, SAT/ACT scores, transcripts, and an essay on a specified topic. Winners will be announced in July, with funds disbursed directly to the universities/colleges in early August.

Again, only incoming freshman who complete the Arnold Grant preliminary application, Family Financial Data Form and GPA verification will be considered for the Merit Scholarship.

## SUPPLEMENTAL EDUCATION LOAN PROGRAM

Knowing incidental college expenses for books, fees and supplies can pose a hardship for families already coping with high tuition and room and board costs, the Society offers an interest-free loan to help reimburse families for these kinds of expenses.

This loan is open only to **dependents of regular Active Duty, Title 10 AGR/Reserve on extended active duty, Title 32 AGR performing full time active duty, regular Retired and Retired Reserve with 20+ years of creditable service who applied for the 2015-2016 General Henry H. Arnold Education Grant**, as their eligibility has already been verified through the grant application process, **and** AFAS has the ability to collect repayment by allotment directly from the members' military/retired pay. Maximum dollar amount for each full-time dependent undergraduate student is \$1,000, regardless of whether or not they received the need-based Arnold Grant.

AFAS provides the loan applications to identified applicants in August, with an application deadline of October 1st. Checks will be disbursed by AFAS no later than mid-October. Repayment by allotment will be automatically started by AFAS and run for a 10-month period beginning November 15th for Active Duty, and December 1st for Retirees.
